

WORKING STUDENT FINANCE & BUSINESS OPERATIONS (M/F/D)

Application details:

Type of position: working student

Entry date: as of now

Contact: Evelyn Strübing, Team Finance & Operations

Application documents via mail to: bewerbung@inno2grid.com

The Team **Finance & Operations** is responsible for the steering and development of economical and organizational company functions including management of the relation to our business partners

You would like to contribute your financial expertise and business acumen to one of the most promising industries of the future and make a contribution to the energy and transport transformation? Then join our team and let's tackle the challenges of our customers together!

Focus activities:

- Support in preparatory accounting
- Contact person for internal and external questions about accounting
- Assistance in our company reporting
- Contribution to operational controlling, e.g. project analyses, cost analyses, reporting, budget and liquidity planning, etc.
- Accompanying of **business administration and operations processes**
- Support of the F&O team in ad-hoc projects, e.g. in the implementation of financial tools

Our offer:

- A young, diverse team of ca. 50 employees with flat hierarchies, a goal- and value-oriented mentality and a passion for new things
- A dynamic and secure working environment in a joint venture of DB E.C.O. Group and Schneider Electric, with the prospect of a long term, diversified professional perspective
- A lot of creative freedom and independent action
- Flexible working hours with mobile working
- Personal togetherness at summer parties, team events, joint sports activities or simply lunch on our beautiful EUREF campus
- Free beverages and fresh organic fruit at the office

About you:

- Motivation to help shape the energy and transport transition and to realize innovative ideas economically successfully as a **team player**
- Advanced studies (Bachelor's or Master's) in Industrial Engineering, Management, Business Administration or comparable fields (First-year students who have already completed an apprenticeship are also welcome to apply!)
- Independent, proactive, and structured working method
- Good **analysis and overall coordination capability** and ability to design creative solutions
- Confident handling of MS Office applications (especially PowerPoint, Excel and Word)
- Experience in working with ERP systems is desirable

Your next step:

You are interested in a diversified job in a young company?

Then we look forward to receiving your application with salary expectations and a possible start date at bewerbung@inno2grid.com!

Why us?

We are a **young team** and enjoy developing and implementation of holistic, customer specific solutions. inno2grid is a joint venture between Deutsche Bahn Engineering & Consulting and Schneider Electric whose development is shaped by its employees.

A position at inno2grid offers a job in an innovative company with a high degree of personal development opportunities, the possibility of self-realization in flat hierarchies and the prospect of a long-term and varied professional perspective. inno2grid relies on personalities who are characterized by entrepreneurial thinking and action, a goal and value-oriented mentality and a passion for new things.

In addition to the outstanding professional qualifications and competence of its employees, inno2grid relies on their above-average initiative and responsibility, teamwork skills and flexibility as well as the willingness and motivation to perform.

Whether at beach volleyball during a break or at a barbecue, it is important to the i2g-Team to spend time together not only in the office, even if it is a particularly beautiful location on the **EUREF campus**.
