

EVENT MANAGER (F/M/D)

Application details:

Type of position: Full-time, Berlin

Entry date: 01.12.2024

Contact: Alexander Agnesens, Team Innovation Hub

Application documents via mail to: bewerbung@inno2grid.com

The EUREF Campus Berlin is the future location of the energy and mobility transition and attracts up to 4.000 visitors from politics, the public, business and science every year. inno2grid and our shareholders contribute to this future location with their solutions and innovation projects and bring the energy and mobility transition to life with impressive showcases. From the initial enquiry to the successful customer event - inno2grid's Innovation Hub looks after visitors, external and internal customers and supports the sales, marketing and networking activities of inno2grid, our shareholders and local partners. Together with our innovative partner network, we are driving forward the 365-day trade fair at the EUREF Campus Berlin.

Would you like to contribute your organisational skills and your sense for customers, events and marketing to an innovative corporate network and make a contribution to the energy and transport transition? Then join our team and let's inspire our customers together!

Focus activities:

- Networking with external and internal stakeholders (customers, delegations, employees, business partners) on the EUREF-Campus Berlin
- Acquisition, planning, organisation and realisation of events on the EUREF-Campus Berlin
- Training of new guides for guided tours at the EUREF-Campus Berlin
- Operational process responsibility for lead management
- Storytelling around the technical development as well as the implementation of new products in the living lab EUREF-Campus
- Conception and implementation of future showcases for us, our shareholders and partner

Our offer:

- A young, diverse team of approx. 50 employees with flat hierarchies, a goal- and value-oriented mentality and a passion for new things
- A dynamic and secure working environment in a joint venture of DB E.C.O. Group and Schneider Electric, with the prospect of a long term, diversified professional perspective
- A lot of creative freedom and independent action
- Flexible working hours with mobile working
- Personal togetherness at summer parties, team events, joint sports activities or simply lunch on our beautiful EUREF campus
- Benefits such as JobRad, mobility budget, company pension scheme, capital-forming benefits, subsidised lunch on the EUREF campus and sports facilities, fresh organic fruit in the office, etc.

About you:

- Completed studies, ideally in the fields of communication, event management, sales management, economics, industrial engineering or completed apprenticeship as an event manager
- Special interest in the topics of energy and mobility as well as working in an innovative environment and an international team
- Connected way of thinking to quickly find good solutions even in complex situations
- Calm and customer-friendly communication - even in stressful situations
- Confident appearance and enjoy presenting in front of larger groups
- Structured way of working, initiative, ability to work in a team and organizational talent
- Very good knowledge of German and English, further language skills are an advantage
- Confident handling of MS Office applications (especially PowerPoint, Excel and Word)

Your next step:

You are interested in a diversified job in a young company?

Then we look forward to receiving your application with salary expectations and a possible start date at bewerbung@inno2grid.com!

Why us?

We are a young team and enjoy developing and implementing holistic, customer-specific solutions. inno2grid is a joint venture between Deutsche Bahn Engineering & Consulting and Schneider Electric, whose development is shaped by its employees.

A job at inno2grid offers a workplace in an innovative company with a high degree of personal development opportunities, the possibility of self-realization in flat hierarchies and the prospect of a long-term and varied professional perspective. inno2grid relies on personalities who are characterized by entrepreneurial thinking and action, a goal- and value-oriented mentality and a passion for new things. In addition to the outstanding professional qualifications and expertise of its employees, inno2grid relies on their above-average initiative and responsibility, team spirit and flexibility as well as their willingness to perform and motivation. Whether playing beach volleyball in the break or having a barbecue, it is important to the i2g team to spend time together not only in the office, even if it is a particularly beautiful location on the EUREF campus.
